

APPENDIX C

APPLICATION FOR HOOVER POWER ALLOCATION

AND

APPLICANT PROFILE DATA REQUEST

An Application for Hoover Power Allocation and an Applicant Profile Data Request are attached. The Application and Request are self-explanatory and when completed are to be addressed to:

Mr. L. S. Ormsby, Administrator  
ARIZONA POWER AUTHORITY  
P.O. Box 6694  
Phoenix, Arizona 85005

Three copies of the Application and Profile must be submitted to the Authority on or before December 14, 1984, and will not be accepted after that date. The accuracy of data and ensuring consistency of the content of all three copies rests with the Applicant.

ARIZONA POWER AUTHORITY

Application for Hoover Power Allocation

Name of Organization: \_\_\_\_\_

Official Contact Person: \_\_\_\_\_

Address: \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

Telephone: ( ) \_\_\_\_\_

FOR ITEM 1 OR ITEM 2 BELOW, SPECIFY:

- a. The total maximum kilowatts (kW) desired during a 12-month period for which Applicant is willing to obligate itself to pay, as a contract rate of delivery and
- b. The total annual kilowatt hours (kWh) desired for which Applicant is willing to obligate itself to pay.

1. Application for Hoover Schedule A Allocation

\_\_\_\_\_ kW and \_\_\_\_\_ kWh

2. Application for Hoover Schedule B Allocation

\_\_\_\_\_ kW and \_\_\_\_\_ kWh

FOR ITEMS 3 THROUGH 5, ATTACH SEPARATE SHEETS.

3. Applicant's Qualifications

Set forth a statement of applicant's qualifications.

4. Applicant's Uses and Purposes

Set forth a statement specifying the Applicant's uses and purposes for the Hoover power purchase.

5. Transmission and Other Requirements

- a. Specify the approved delivery point or points on the Parker-Davis System where the Applicant desires to receive the Hoover power purchase. Also specify the amounts (kW and kWh) of Hoover Schedule A Power and Hoover Schedule B Power desired by Applicant at each delivery point.
- b. Provide a brief description of Applicant's additional transmission requirements including any existing or future transmission agreements or arrangements which will be necessary to complete delivery of any Hoover power purchase. (A conformed copy of such transmission agreements must be provided to the Authority before the Hoover Power Sales Contract between the Authority and the Applicant can be executed.)

ARIZONA POWER AUTHORITY

Applicant Profile Data Request

The following information must be submitted to the Arizona Power Authority (Authority) in the sequence listed below. In information is "not available", please so indicate. If an area of data requested is "not applicable", so indicate.

The requested profile data are enumerated below.

1. Organization Description

Identify persons or department of Applicant's organization which will interact with the Authority on the Hoover power contract, scheduling and billing matters.

2. Peak Demand and Energy Load Requirements

Provide a statement specifying the following:

- a. Number and type of electric customers served by Applicant divided into as many classifications as possible including: residential, commercial, irrigation pumping, industrial, other uses; kilowatt (kW) and kilowatt hour (kWh) sales of Applicant during each of the previous 24 months (ending September 30, 1984) divided into the classifications specified above.
- b. Maximum annual peak demand and annual energy use for each of the years 1979 through 1983 and average annual and monthly load factors for your total electric system.
- c. Maximum 24-hour energy use for one winter day for each of the years 1982 and 1983 and one summer day for each of the years 1983 and 1984.
- d. Projected annual and monthly peak demands and energy load requirements and projected annual and monthly load factors, for each of the years 1984 through 1989. Please furnish forecasting methodology and basic assumptions.

3. General Resources

Provide a statement specifying:

- a. Applicant's current kW and kWh supply to meet each of the 24 monthly sales specified in Item 2a above divided into Generation (specify fossil fuel and hydro), Purchases (specify suppliers), and Other (specify). If available, provide projections of generation resources for each of the years 1985 through 1989.
- b. Percent of total supply received from the Authority during the 24 months specified in Item 2a above.
- c. Provide a current list of power supply contracts with parties other than the Authority.
