ARIZONA POWER AUTHORITY CONFERENCE WATER AND POWER PRESENTATIONS APRIL 5, 2013 – 10:00 AM

TOPICS FOR DISCUSSION

APA Conference to consider presentation(s) from customers or interested parties regarding historical, political, geographic, technical and related aspects of water availability, distribution and usage in Arizona. Customers may make joint or individual presentations. The presentations should include discussion of the following matters:

1. Current and projected water sources.
2. Amount and percentage of water used or distributed for agricultural and/or related purposes.
3. Amount and percentage of water used and/or processed for municipal and/or related purposes.
4. How water utilization is and will be affected by power source and cost.
5. The party's long-term plans regarding projected water availability, usage and costs of acquisition, distribution and/or processing for its intended use.

Suggested time allowed for each presentation is 20 minutes. Presentations may be combined and additional time allotted if requested in advance.

Please send a copy of your Power Point presentation to robert@powerauthority.org so that it may be uploaded to our computer for use during your presentation. Also, please provide written materials for the Commissioners' records. **Finally, please contact Susan Angulo at susan@powerauthority.org or 602-368-4265 to schedule a time for your presentation.**
